

Ukraine Resource Centre

Our pan-European lupus family is concerned about the current situation in the Ukraine and touched by the plight of lupus patients affected by the crisis. If you have lupus and you are a refugee because of the Ukrainian crisis, we have member organisations as local contacts on the ground. You can contact them for lupus and health related information if you are travelling through specific European countries or seeking refuge in those countries.

Bulgaria

For Bulgaria contact Lupus Bulgaria: revmatologia.org@gmail.com

Finland

For Finland contact Lupus Finland: yhteys@lupussuomi.fi

Greece
